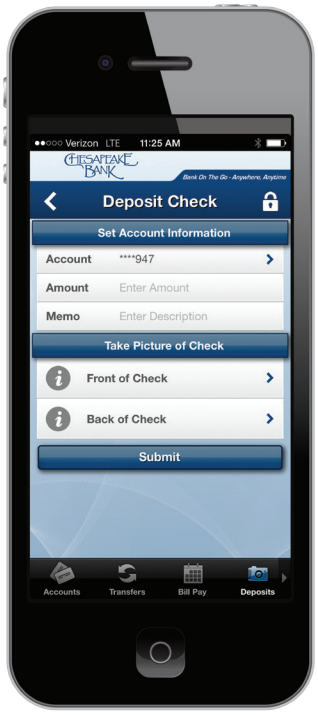
Deposit checks in a flash.

It's easy and secure with myMobile.

If you can take a picture and send a text with your smartphone or tablet, you can use that technology to deposit checks, too. All you need is an iPhone, Android or iPad, the myMobile app, and an eligible Chesapeake Bank checking or savings account. It's safe, secure and saves a trip to the bank. Download myMobile today. It's your bank anywhere, anytime app.

Endorse your check by writing "Mobile Deposit Chesapeake Bank," and include your signature.

Endorse Your Check → **Deposit Your Check**

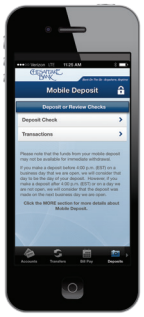


Using myMobile for depositing is as safe as taking it to the bank.

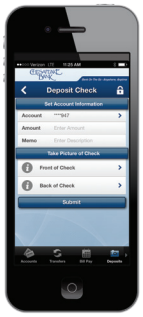
We've made sure that myMobile is a secure way to bank. So you can feel confident depositing your checks through this app. Download myMobile today through your device's app store. Questions? Go to chesbank.com, or call us at 800-434-1181, and we'll talk you through everything.

FIRST STEP: Endorse the back of your check by writing "Chesapeake Bank Mobile Deposit" and your signature.

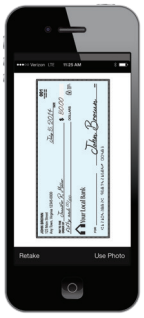
NEXT STEP: Follow the steps below to deposit your check.



1 On the Deposits screen, select Deposit Check.



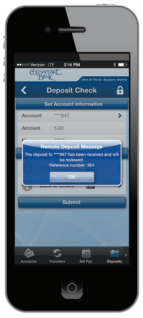
2 Enter the amount on your check. Add a description, if you'd like.



3 Use your device to take a picture of the front of your check. Select Use Photo.

4 Use your device to take a picture of the back of your check. Select Use Photo.

5 Choose Submit, and select "I Agree" to the Remote Deposit Verification.



6 You'll receive a message telling you the deposit has been received and will be reviewed.

Watch for a text message from Chesapeake Bank acknowledging receipt of the mobile deposit and approval confirmation. You can also access this information through the Deposits screen > Transactions.

myMobile Your bank anywhere, anytime app.
